

## **Levan Group Opens 2nd Houston Location**

The Levan Group dba Auto Body Parts Depot, has purchased a 28,700 SF warehouse located at 4757 South Loop East from the JBS Partnership. Earlier in 2003, Levan leased 24,000 SF at 910 Rankin Rd. as its initial entry into the Houston market. The auto body parts distributor, which has 5 locations in Northern California, experienced such rapid growth at the Rankin location that it purchased the South Loop facility to accommodate the South Houston market. Andy Sowell of Boyd Commercial represented Levan in both transactions.
